A resort within a resort, Lodging Ovations and Whistler Creekside offers guests a quieter alternative to Whistler Village. Shops, cafés, pubs, fine and family dining, grocery and liquor stores, as well as its own dedicated gondola - are all within steps of our properties. From accommodations and meeting spaces to lift tickets, equipment rentals and more, Lodging Ovations is your one-stop shop for an unforgettable Whistler getaway.

What's so great about Whistler Creekside?

With azure blue skies, longer and warmer days, hundreds of acres of stunning terrain, and great snow, this is definitely where you want to be during our awesome spring season!

Featuring 1, 2, 3 & 4 bedroom suites with versatile living space for relaxing and entertaining, all guestrooms offer full-kitchen amenities, stunning mountain views and warming fireplaces for a cozy ambience. Resort-style amenities are just a part of the fun with outdoor heated pools, hot tubs, and onsite fitness centres to name a few.

Spring just doesn't get any better than this. With a March snowfall average of 2.5m (over 8ft) adding to what is typically an amazing base, the Whistler Creekside Gondola is your gateway to the longest ski season in North America (well into May!). From the epic excitement of the World Ski & Snowboard Festival to the laid-back après vibe on a sunny Creekside Village patio, spring at Whistler is a glorious celebration of mountain life.

Whether you're staying at Legends, Evolution or First Tracks Lodge, Whistler Creekside is the natural choice for your Whistler vacation.
